

CT & MRI SERVICES

Mayfair is the leading provider of MRI and CT services in Calgary.

Convenient and affordable

- Fast access to appointments.
- Seniors discounts on both MRI and CT exams.
- Special CT Health Assessment packages available.
- Some health spending accounts may be used to cover the cost of private pay imaging when prescribed by a qualified health care practitioner.

State-of-the-art technology

- With our recently installed new, higher strength magnet, Mayfair now operates both 1.5T and 3T MRI services at Mayfair Place, providing greater options to more specifically meet the imaging needs of patients.
- The highly sensitive images from our new 3T machine allow enhanced imaging of musculoskeletal joint and soft tissue disease and can be very valuable in abdominal and pelvic imaging, including for prostate-related disease.

Sub-specialized with years of experience

- Mayfair has over 50 sub-specialized radiologists with expertise in a variety of areas, including neuroradiology, breast, body, cardiac/chest, and musculoskeletal (MSK) imaging.
- Our experienced team provides fast, accurate, sub-specialized diagnostic reporting.
- Offering community MRI services in Calgary since 1999, and CT services since 2002.
- Mayfair has been the official medical imaging provider for Calgary's professional sports teams for many years.
